FIRST STOPS: State AT and Vocational Rehabilitation Programs

Check with your state assistive technology center, as they sometimes have resources for low-interest loans. If the person using the vehicle is employed, check with the State Vocational Rehabilitation Department.

AMS Vans <https://www.amsvans.com>

Email: questions@amsvans.com Phone: 800-775-8267

Dealer of new and used accessible vehicles and modifications throughout the U.S.

[Finance Your Wheelchair Van with State Programs and Resources](#)

[Personal Vehicle Financing](#)

“AMS Vans provides in-house financing options to help with purchasing a wheelchair-accessible vehicle. Choose from flexible terms, trade-in options, extended warranties, and more. AMS Vans is a wheelchair van manufacturer, dealer, and financier. Most traditional banks don’t understand what you need to gain mobility freedom. Our accessible vehicles are unique, and so are our customers’ needs. This is why we offer in-house wheelchair van financing.”

The Association for Driver Rehabilitation Specialists

<https://www.aded.net> Email: info@aded.net

200 First Ave NW, Suite 505 Hickory, NC 28601

Phone: 866.672.9466 Fax: 828.855.1672

Accessible Vans of America

BraunAbility <https://www.braunability.com> [National Funding for Vans](#)

There are many charities and organizations across the United States and Canada that have programs to help individuals afford mobility equipment. The grants and opportunities vary in amount, but as each of these organizations knows, every little bit counts. You’ll find a range of nonprofits, some apply only to individuals of certain disabilities or income levels. Be sure to read through the requirements carefully, and don’t forget to contact your local BraunAbility dealer about any programs not listed here.

Disability Accessibility Through Adapted Vehicles: A Guide from Vehicle Modification to

The Mobility Resource <https://www.themobilityresource.com>

Phone: 1-866-771-7770

The Mobility Resource connects you to the nearest dealer of wheelchair vans and adaptive driving equipment. Much like a traditional auto dealership, we offer rental vehicles and a 24-hour customer service line. Through our large network of dealers, we can connect you to an extensive inventory of adaptive driving equipment. Find everything from wheelchair vans, scooter lifts, hand controls, swivel seating, and more.

Mobility Works <https://www.mobilityworks.com>

Talk to a certified mobility consultant: 1-877-275-4907 Email: ask@mobilityworks.com

[Financing information](#)

MobilityWorks has locations throughout the U.S., with stores in Birmingham and Huntsville, Alabama. It partners with lenders who understand the value of your conversion equipment, offering you a no-hassle buying experience. We can custom-tailor the terms of your financing to meet your individual needs, including the length of your loan, the monthly payment amount, and the level of protection that you choose.

Multiple Sclerosis Foundation –Brighter Tomorrow Grant

<https://msfocus.org/Get-Help/MSF-Programs-Grant/Brighter-Tomorrow-Grant> (Max \$1K per recipient)
